Home Learning

Class: Sunbears Term: 2

Reading

Your child will be sent home with **two books** each week:

📖 **Phonics Reading Book**

One book will be closely matched to the phonics sounds your child is learning in school. This book is designed to help your child practise and develop their reading skills.

Please try to read with your child every day.

You do not need to read the whole book in one sitting unless your child would like to. Sometimes reading just a few pages and discussing the story is enough.

📚 **Sharing Story Book**

Your child will also bring home a story book for you to read together and enjoy. This book is intended to develop a love of reading and can be read to your child by an adult.

Reading books will be reviewed and changed each Friday.

Thank you for supporting your child's reading journey at home.

Maths	Phonics	Choose one or complete them all! Bring your learning to school to share with us.
Shape Circles, triangles and shapes with 4 sides. What shapes can you find in your home environment? Look at bottle top lids, books etc.. and find shapes of different sizes around the house and out and about. Can they make a picture using those shapes? Continue practicing counting backwards and forwards from 0-10	Over the next few weeks, we will be revisiting and recapping the **Autumn 1 phonics sounds** that the children have previously learned and learning **Autumn 2 phonics**. Please see the sheet attached. This will help to ensure that they are secure in recognising the sounds and can use them confidently when reading and writing. Please take a few minutes each day to practise these sounds at home with your child. Little and often is best, and regular practice makes a big difference to children's confidence and progress. Thank you for your continued support with your child's phonics learning.	**Food from around the world** What food do you enjoy eating at home? What is your favourite meal? Can you look on a map, globe, atlas or Google earth to locate where your favourite food may have come from? Maybe you could try something new. What did you like dislike? Take a photo or draw a picture of your favourite or least favourite meal. Practice writing your name. Remember a capital letter only at the beginning. Keep reading every day - a few pages is enough. Enjoy stories together and visit the library.
